

Hello Everyone,

Today is the first of December, 2020, and as usual, this is the day we open up the ability to renew your membership for 2021. There will be some changes to the pricing structure due to increased costs and the necessity of paying sales tax. Some items have increased more than others, but this is our attempt to hold the line on pricing increases as much as possible for the members.

Costs on all goods that you are buying have probably increased, and the club has also had to deal with price increases from our providers. It is unfortunate, but it is the state of 2020.

As a small accommodation, we will provide a 5-punch card free to anyone who renews or initiates a new membership during the month of December. The new price list will be posted at sign in for you to review.

Also, as a reminder, everyone must sign in personally so that you may be informed of any and all changes due to the rapidly evolving Covid-19 situation, or any other safety regulations that may have changed.

There will soon be a new Safety Video that all members must view prior to shooting. We will advise you as to when this will take place.

This has been an extremely eventful year for everyone, and we appreciate your patience as we continue to deal with the constantly changing events.

Please feel free to call me with any questions you may have.

Thank you for your continued support.

Vince McCauley

President
